for Smart Living

Kitchens

Wardrobes

Bathrooms

L - Shape Kitchens CALYPSO

Perhaps the most common type, L-Shaped Kitchens are convenient, compact and accommodate the work triangle perfectly. Their design makes them a great fit for new homes, as well as existing ones.

U - Shape Kitchens BACCHUS

A classic kitchen layout, U-Shaped Kitchens offer a spacious work area, adequate storage and can be customized to suit most existing home designs.

Straight - Shape Kitchens DORIS

Simple, understated yet stylish, Straight Kitchens are built along one wall and offer a clever utilization of space, while being compact and convenient.

Parallel - Shape Kitchens ANTHEA

Maximizing efficiency while making the work triangle easily accessible, Galley Kitchens are convenient, compact and utilize space optimally.

Island - Shape Kitchens ERATO

Offering flexibility for both small and large homes, the L-Shaped Modular Kitchens with a central Island is great for multi-purpose homes of today. They are versatile, minimize kitchen traffic and allow ease of preparation.

KITCHEN ACCESSORIES

Kitchens are not about the shutters or the carcass but the internal fittings as well that makes the kitchen useable. Krios has collaborated with some of the renowned companies like Hettich, Haefle, Inox, Grass, Indaux for all the kitchen accessories and wardrobe accessories.

Sliding Wardrobes PEARL WHITE

White Sliding Door Wardrobes reflect purity and look stylish and elegant. This wardrobe is specially manufactured for its sliding doors that make opening and closing hassle free.

Sliding Wardrobes OAK ELEGANCE

The stylish Wood-Glass-Wood Wardrobe by Krios is developed as a classic design and is one of the most popular designs. It gives the unique feature Wood and Glass both and this enhances the taste.

BATHROOM VANITY

Krios bathroom vanities are designed to capture beauty and are scaled down to perfection. Enjoy the luxurious soak as per your choice as they are built using quality wood finished in myriad colors.
